

Sugarpine.

Residence one
 3 Bedrooms, 3 Baths
 From 2,645 Sq. Ft.

The elegant and gracious floorplan of the Sugarpine is open and perfect for entertaining.

From the moment you open the front door, a spectacular view of the lake or mountains awaits you.

The spacious kitchen with long, curved bar will enhance any party.

The master suite is designed with romance in mind. Enjoy a roaring fire from the bedroom or the bathtub. Your large master suite affords a sitting area and built-in entertainment center.

The master bath has a spacious closet, steam shower, separate vanities and a whirlpool tub with a fireplace.

The outside covered deck with glass railing makes outside entertaining a pleasure.

All this luxury and grand space makes this a perfect entertaining home.
